

CLASSIC CRAFTED

by Claus Jakobsen

CHAT BOARD® product sheet

CHAT BOARD[®] Classic Crafted brings a whole new perspective to its much-loved forerunner, Classic. Marrying the soft, natural warmth of oak, or the dark elegance of the black stained ash, with our signature streamlined glass surface in one cohesive unit, Classic Crafted elegantly elevates the functional to the truly desirable. The four beautifully balanced pieces are all hand finished and tailormade to partner perfectly with other wall-mounted boards in the CHAT BOARD collection, offering endless possibilities to create carefully composed interactive wall surfaces of beauty and utility in equal amounts.

The seamless juxtaposition of contrasting, yet mutually complementing surface textures brings a fresh aesthetic dynamic and definition to the Classic board without taking away from its key function as an indispensable tool for creation and communication.

Complete your Classic Crafted composition with the Classic Crafted Keeper (*learn more*), an exquisitely shaped, magnetic accessories holder, mirroring the wood veneer panels of the 'mother' board. Fully flexible and easily attached, it can be placed on both panel and glass and moved around according to mood and circumstances.

CHAT BOARD® Classic Crafted is made with 4 mm tempered safety glass, in accordance with the highest quality standards, finished with smooth C-edges and 4 mm radius corners. The wood panels and Keeper are crafted from FSC certified veneer. The veneer is treated with a matt PU lacquer (clear on oak, and black on ash). All Classic Crafted boards **can be mounted both horizontally and vertically** (with the panel on either side, top or bottom as desired) and easily changed from one orientation to another. Classic Crafted is available in 4 standard sizes and 25 standard glass colours. In addition, they can be made to order in bespoke sizes and standard RAL and NCS glass colours.
